

Construction, Inc.

* Comment: we had about six (6) builders bid on this job. Each on the same set of specifications. Brian Papp's proposal was at least 50% less than some of the well-known builders in the area. He agreed to all our specifications and we recommend Brian Papp as an honest, professional and reliable builder/contractor. He does what he says he will do and at the time he says it.

Sincerely, Barbara and Richard S. BreMiller
